Case No. 25-40976-357

(Jointly Administered)

DECLARATION AND DISCLOSURE STATEMENT OF ROBBIE WONG ON BEHALF OF DELOITTE & TOUCHE LLP

I, Robbie Wong, pursuant to 28 U.S.C. § 1746, declare under penalty of perjury, as follows:

- 1. I am a managing director of the firm of Deloitte & Touche LLP ("Deloitte & Touche"), which has an office at 225 West Santa Clara Street, #600, San Jose, CA 95113. I am duly authorized to make and submit this declaration (the "Declaration") on behalf of Deloitte & Touche pursuant to the Order (I) Authorizing the Retention and Compensation of Certain Professionals Utilized in the Ordinary Course of Business and (II) Granting Related Relief [Docket No. 354] (the "OCP Order"). The Debtors have included Deloitte & Touche as one of the Ordinary Course Professionals (as such term is defined in the OCP Order).
- 2. The Debtors seek to retain Deloitte & Touche pursuant to the terms and conditions set forth in: (i) that certain engagement letter, dated August 2, 2024, between Deloitte & Touche and the Debtors to provide accounting, internal control, and environmental, social, and governance-related services (the "Engagement Letter"); and (ii) that certain statement of work, dated August 30,

(7371), 23andMe Pharmacy Holdings, Inc. (4690), Lemonaid Community Pharmacy, Inc. (7330), Lemonaid Health, Inc. (6739), Lemonaid Pharmacy Holdings Inc. 2024, and entered into pursuant to the terms and conditions of the Engagement Letter, to provide certain advisory and internal control-related services for the Debtors relating to compliance with the requirements of the Sarbanes-Oxley Act ("SOX") (the "Internal Controls SOW" and, together with the Engagement Letter, the "Engagement Agreement").

Deloitte & Touche's Qualifications

- 3. Deloitte & Touche is a professional advisory firm with offices across the United States. Deloitte & Touche has significant experience in providing accounting-related and other advisory services and has performed such services in large and complex chapter 11 cases on behalf of debtors throughout the United States. Deloitte & Touche's services fulfill an important need and are not provided by any of the Debtors' other professionals.
- 4. In addition, since approximately August 2020, Deloitte & Touche has provided certain advisory services to the Debtors. In providing such prepetition professional services to the Debtors, Deloitte & Touche is familiar with the Debtors and their businesses, including the Debtors' financial affairs, debt structure, operations, and related matters. Having worked with the Debtors' management, Deloitte & Touche has developed relevant experience and knowledge regarding the Debtors that will assist it in providing effective and efficient services during these chapter 11 cases (the "Chapter 11 Cases"). Accordingly, Deloitte & Touche is both well-qualified and able to provide the aforementioned services for the Debtors in these chapter 11 cases in an efficient and timely manner.

Disinterestedness

A. Background Information Related to Deloitte & Touche

5. Deloitte Touche Tohmatsu Limited ("<u>DTTL</u>") is a UK private company limited by guarantee. DTTL itself does not provide services to clients. Each of the member firms of DTTL (each, a "<u>DTTL Member Firm</u>") is a legally separate and distinct entity. The DTTL Member Firms

are primarily organized on an individual country or regional basis, and operate within the legal and regulatory framework of their particular jurisdiction(s). The DTTL Member Firm structure reflects the fact that the DTTL Member Firms are not affiliates, subsidiaries, or branch offices of each other or of a global parent. Rather, they are separate and independent firms that have come together to practice under a common brand and shared methodologies, client service standards, and other professional protocols and guidelines. DTTL Member Firm partners and/or principals are generally the sole owners of their respective DTTL Member Firms. There is no overlap with respect to a partner's or principal's ownership in its respective DTTL Member Firm and any other DTTL Member Firm. Profits are not shared between or among the DTTL Member Firms.

6. In the United States, Deloitte LLP is a DTTL Member Firm. Like DTTL, Deloitte LLP does not provide services to clients. Rather, Deloitte LLP has operating affiliates that perform services for clients, including Deloitte Tax, Deloitte Tax LLP ("Deloitte Tax"), Deloitte Consulting LLP ("Deloitte Consulting"), Deloitte Financial Advisory Services LLP ("Deloitte FAS"), and Deloitte Transactions and Business Analytics LLP ("DTBA") (Deloitte LLP and each of the foregoing, and together with their respective direct and indirect subsidiaries, collectively, the "Deloitte U.S. Entities"). The partners and/or principals of each operating affiliate of Deloitte LLP are owners of their respective affiliate along with, directly or indirectly, Deloitte LLP. Generally, each affiliate's respective partners and principals are also partners and principals, as applicable, of Deloitte LLP.

B. Conflicts Check Process, Generally

7. For the most part, the conflicts searches conducted by Deloitte & Touche involves checking client and other databases of the Deloitte U.S. Entities. Given the separateness of the various DTTL Member Firms as described above, the Deloitte U.S. Entities do not have the

capability to directly check the client or other databases of any of the non-U.S. DTTL Member Firms or their respective affiliates or subsidiaries. However, notwithstanding the separateness of the DTTL Member Firms, as described below, the Deloitte U.S. Entities' checking procedures in bankruptcy cases do result in the gathering of certain information related to the DTTL Member Firms.

- 8. When any of Deloitte LLP's operating affiliates, such as Deloitte & Touche, is to be the subject of an application to be retained in a chapter 11 case, a process commences regarding checking connections to the debtor, its affiliates and the debtor's parties in interest (as provided by the debtors). With the assistance of the Deloitte U.S. Entities' conflicts team (the "Conflicts Team"), a series of conflicts checking procedures are undertaken, including checking a number of Deloitte U.S. Entities' databases for their connections. Additionally, the Conflicts Team performs procedures to identify certain relationships of other DTTL Member Firms, as described below:
 - (i) With respect to the debtor and debtor affiliates, the Conflicts Team will:
 - (a) Initiate cross border check requests to the DTTL Member Firm(s) where the debtor or debtor affiliate is domiciled (i.e., the country of incorporation or the entity's headquarters, as the case may be) based upon information provided by the debtors and research by the Conflicts Team of publicly available information. The DTTL Member Firm(s) will then search applicable local databases to identify client or non-client relationships in their jurisdiction (such as lender, vendors, business relationship entities or third parties associated with a client engagement).
 - (b) Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms, which are submitted when a DTTL Member Firm seeks to commence an engagement with or involving a U.S. entity.² This search is conducted to identify whether those prospective engagements involved the debtor or its affiliates domiciled in the

4

² These cross-border conflict check requests are pursuant to a policy adopted by DTTL Member Firms.

- U.S. as the engaging client or non-client relationship (such as business relationship entities or third parties associated with a client engagement).
- Perform a search of the database system associated with audit and (c) related independence requirements (the "Independence Database") to identify possible connections with debtor and debtor affiliates with respect to whom such requirements are actually or potentially implicated. Each DTTL Member Firm is required to input its respective audit and attest clients into the Independence Database, and all DTTL Member Firms have access to the Independence Database.³ Each entity in the Independence Database has a designated partner who is responsible for approving and monitoring services for entities included in its corporate tree. The Independence Database includes audit and attest clients of the various DTTL Member Firms, as well as certain other non-clients thereof.
- (ii) With respect to the debtor's parties in interest, the Conflicts Team will:
 - (a) Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms (described above) to identify whether those prospective engagements involved a U.S.-domiciled party in interest as a direct attest or litigation client or business relationship entity.
 - (b) Perform a search of the Independence Database to determine whether a party in interest is identified therein.
- 9. Based upon the foregoing, it is my understanding that the overall design and implementation of Deloitte U.S. Entities' current procedures provide a reasonable level of comfort that relationships and potential conflicts related to a debtor will be identified.

C. Disinterestedness of Deloitte & Touche

10. Subject to the foregoing, except as set forth herein and in the attachments hereto, to the best of my information, knowledge, and belief based on reasonable inquiry: (a) neither I, Deloitte & Touche, nor any partner, principal, or managing director of Deloitte & Touche that is

Inputting audit and attest clients into the Independence Database is a policy followed by DTTL Member Firms so that such relationships are tracked in connection with such firms' independence requirements.

anticipated to provide the Services for which Deloitte & Touche is to be retained (the "Deloitte & Touche Engagement Partners/Principals/Managing Directors") holds any interest adverse to the Debtors with respect to the matters on which Deloitte & Touche is to be retained in their Chapter 11 Cases; and (b) Deloitte & Touche has no relationship to the Debtors, their significant creditors, certain other parties-in-interest, or to the attorneys that are known to be assisting the Debtors in their Chapter 11 Cases, except as stated herein or in any attachment hereto.

- 11. In connection with the Debtors' proposed retention of Deloitte & Touche in their Chapter 11 Cases, Deloitte & Touche undertook searches to determine, and to disclose, whether it or its affiliates is or has been employed by or has other relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or any of the Debtors' significant creditors, customers, equity security holders, professionals, or other entities with significant relationships with the Debtors (the "Potential Parties-in-Interest"), whose specific names were provided to Deloitte & Touche by the Debtors, listed on Schedule 1 attached hereto. To check upon and disclose possible relationships with significant Potential Parties-in-Interest in these Chapter 11 Cases, Deloitte & Touche researched its client databases and performed reasonable due diligence to determine whether it or its affiliates had any relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or significant Potential Parties-in-Interest.
- 12. Deloitte & Touche and/or its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other Potential Parties-in-Interest. Accordingly, Deloitte & Touche and/or its affiliates have or may have provided professional services, may currently provide professional services, and/or may in the future provide professional services in matters unrelated to the Chapter 11 Cases to certain of the Potential Parties-in-Interest. Additionally, certain of these Potential Parties-in-Interest have or may have provided goods or

services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte & Touche and/or its affiliates and the Deloitte & Touche Engagement Partners/Principals/Managing Directors in matters unrelated to the Chapter 11 Cases. A listing of parties with such connections to Deloitte & Touche and/or its affiliates is attached to this Declaration as **Schedule 2**.

- Cases, if a database query identified a potential connection between a Potential Party-in-Interest and a Deloitte U.S. Entity or DTTL Member Firm, an email was sent to certain of the Deloitte U.S. Entity's and/or DTTL Member Firm's individuals, as applicable, associated with such Potential Party-in-Interest to confirm whether or not the relationship with such Potential Party-in-Interest related or currently relates to the Chapter 11 Cases. Responses to these emails were consolidated and subsequently reviewed. As stated in this Declaration, these processes result in the disclosures that are set forth herein, including the disclosure of certain connections with Potential Parties-in-Interest that do not relate to the Chapter 11 Cases. The identified potential connections to the Potential Parties-in-Interest are included on **Schedule 2** appended hereto, and such connections do not relate to the Chapter 11 Cases.
- 14. Deloitte & Touche believes that the relationships described herein or reflected on Schedule 2 have no bearing on the Services for which Deloitte & Touche's retention is being sought by the Debtors in these Chapter 11 Cases. Furthermore, such relationships do not impair Deloitte & Touche's disinterestedness, and Deloitte & Touche does not represent an adverse interest in connection with these Chapter 11 Cases.
- 15. To the best of my knowledge, based on the searches discussed above, Deloitte Tax has determined that certain relationships should be disclosed as follows.

- a. Deloitte & Touche and its affiliates provide services in matters unrelated to the Chapter 11 Cases to certain of the Debtors' largest unsecured and secured creditors and other Potential Parties-in-Interest or their affiliates listed on **Schedule 2**.
- b. Law firms identified on Schedule 2, including Alston & Bird LLP; Carella, Byrne, Cecchi, Olstein, Brody & Agnello, P.C.; Cassels Brock & Blackwell LLP; Cooley LLP; Dechert LLP; Duane Morris LLP; Fisherbroyles, LLP; Foley & Lardner LLP; Glancy Prongay & Murray LLP; Goodwin Proctor LLP; Greenberg Traurig LLP; McDermott Will & Emery LLP; Mintz Levin Cohn Ferris Glovsky & Popeo, P.C.; Morgan, Lewis & Bockius LLP; Morris, Nichols, Arsht & Tunnell LLP; Osler Hoskin & Harcourt LLP; Paul, Weiss Rifkind, Wharton & Garrison LLP; Quarles & Brady LLP; Reed Smith LLP; Ropes & Gray LLP; Saltz, Mongeluzzi & Bendesky, PC; Sheppard Mullin LLP; Skadden, Arps, Slate, Meagher & Flom LLP; SSL Law Firm; Stinson LLP; and Wilson Sonsini Goodrich & Rosati, have provided, currently provide, and may in the future provide legal services to Deloitte & Touche or its affiliates in matters unrelated to their Chapter 11 Cases, and/or Deloitte & Touche or its affiliates have provided, currently provide and may in the future provide services to such firms or their clients.
- c. In the ordinary course of its business, Deloitte & Touche and its affiliates have business relationships in unrelated matters with its principal competitors, which together with their affiliates may be Potential Parties-in-Interest in their Chapter 11 Cases. For example, from time to time, Deloitte & Touche and one or more of such entities may work on assignments for the same client or may otherwise engage each other for various purposes.
- d. Certain financial institutions or their respective affiliates (including JPMorgan Chase Bank, N.A.; JPMorgan Securities; National Union Fire Insurance Company Pittsburgh, PA; U.S. Bank Equipment Finance; U.S. Bank National Association; Unum Life Insurance Company of America; and Wells Fargo Securities LLC) listed on Schedule 2 (i) are lenders to an affiliate of Deloitte & Touche (Deloitte & Touche is a guarantor of such indebtedness) and/or (ii) have financed a portion of the capital and/or capital loan requirements of various partners and principals, respectively, of Deloitte & Touche and its affiliates. In addition, certain institutions or their respective affiliates, including BlackRock Group, JPMorgan Chase Bank, N.A., and U.S. Bank, provide asset management services for, and/or have a similar role with respect to investments of, certain pension, benefit and similar funds sponsored by affiliates of Deloitte & Touche.
- e. Deloitte & Touche and/or its affiliates have performed, currently perform, and/or may perform in the future certain professional services for GSK PLC, one of the Debtors' significant equity holders, in matters unrelated to the Chapter 11 Cases.

- f. It is possible that personnel of Deloitte & Touche and/or its affiliates, including personnel who may be performing services for the Debtors, have ordinary course consumer relationships with the Debtors. Deloitte Tax has not conducted research into the status of its or its affiliates' personnel as customers of the Debtors.
- g. Certain Potential Parties-in-Interest may be adverse to and/or involved in litigation matters with Deloitte & Touche or its affiliates in connection with matters unrelated to the Chapter 11 Cases.
- h. Deloitte & Touche and Deloitte Tax have provided and continue to provide certain audit services and tax services, respectively, to certain Potential Parties-in-Interest and/or their affiliates, in matters unrelated to these Chapter 11 Cases. In its capacity as independent auditor, Deloitte & Touche provides such clients with ordinary course auditing services and conducts typical audit procedures that may arise from such Potential Parties-in-Interests' business arrangements with the Debtors. Similarly, Deloitte Tax, in its capacity as tax services provider, provides such clients with ordinary course tax services which may arise from or reflect such Potential Parties-in-Interests' business arrangements with the Debtors.
- 16. Furthermore, through reasonable inquiry, I do not believe there is any connection between the personnel of Deloitte & Touche or its affiliates who are anticipated to provide services to the Debtors and the United States Bankruptcy Judge presiding in their Chapter 11 Cases, the United States Trustee for Region 13, the Assistant United States Trustee for the Eastern District of Missouri, and the attorney therefor assigned to these Chapter 11 Cases.
- 17. Despite the efforts described above to identify and disclose Deloitte & Touche's connections with the Potential Parties-in-Interest in the Chapter 11 Cases, because Deloitte & Touche is a nationwide firm with thousands of personnel, and because the Debtors are a large enterprise, Deloitte & Touche is unable to state with certainty that every client relationship or other connection has been disclosed. In this regard, if Deloitte & Touche discovers additional material information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

18. Except as may be disclosed herein, to the best of my knowledge, information, and belief, Deloitte & Touche and the Deloitte & Touche Engagement Partners/Principals/Managing Directors do not hold or represent any interest adverse to the Debtors, and I believe that Deloitte & Touche is a "disinterested person" as that term is defined in Section 101(14) of the Bankruptcy Code, as modified by Section 1107(b) of the Bankruptcy Code.

Scope of Services

- 19. As set forth more fully in the Engagement Letter, Deloitte & Touche has agreed to perform certain accounting, internal control, and environmental, social, and governance (ESG)-related advisory services for the Debtors, as follows:
 - (i) Researching the relevant accounting literature applicable to certain Debtor transactions, as mutually agreed, and documentation or verbal communication of the results of that research for the Debtors' consideration in evaluating the appropriate accounting treatment:
 - (ii) Assisting the Debtors in the preparation of the documentation of the results of the transaction evaluations and accounting research using the Debtors' documentation methodology and templates;
 - (iii) Researching and analyzing the effects of the implementation of new accounting pronouncements under U.S. GAAP, SEC rules and regulations, and documentation or verbal communication of the results of that research and analysis for the Debtors' consideration;
 - (iv) Assisting the Debtors in the preparation of documentation of (1) new accounting policies and procedures or (2) enhancements to current accounting policies and procedures;
 - (v) Preparing and delivery of training materials for Client personnel on accounting, internal control, or ESG-related topics;
 - (vi) Assisting and advising on internal control related matters, as mutually agreed by the Debtors and Deloitte & Touche;
 - (vii) Providing co-source accounting, reporting and internal control related advisory services, as mutually agreed between the Debtors and Deloitte & Touche;
 - (viii) Researching and communicating relevant literature and guidance under applicable recognized sustainability standards and frameworks and providing documentation or verbal communication of the results of that research and analysis for the Debtors'

consideration;

- (ix) Conducting ESG industry and market research, including benchmarking, as mutually agreed, and documentation or verbal communication of the results of that research for the Debtors' consideration;
- (x) Assessing and advising on the Debtors' current state of ESG reporting and corresponding internal controls, and potential enhancements thereto, in consideration of requirements under applicable recognized sustainability standards and framework guidance;
- (xi) Assisting and advising the Debtors' management on ESG-related topics, as mutually agreed (e.g., the Debtors' materiality assessment; the Debtors' ESG-related policies, procedures, and controls; the Debtors' climate risk analysis; and the Debtors' ESG disclosures); and
- (xii) Comparing the Debtors' ESG subject matter disclosed to comparable subject matter and disclosed by industry peers identified by the Debtors and providing analysis for the Debtors' consideration.
- 20. As set forth more fully in the Internal Controls SOW, Deloitte & Touche has agreed to perform certain internal control-related advisory services for the Debtors, particularly with respect to the Debtors' compliance with SOX requirements.

Professional Compensation

- 21. Deloitte & Touche's retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangement, set forth in the Engagement Letter and the Internal Controls SOW.
- 22. Pursuant to the terms of the Engagement Letter, unless otherwise agreed to in a statement of work, Deloitte & Touche will bill the Debtors based on the amount of professional time required and the experience level of the professionals involved at a blended rate of \$270 per hour, with the exception of internal controls-related work, which will be billed at a blended rate of \$175 per hour.

Case 25-40976 Doc 424 Filed 05/19/25 Entered 05/19/25 10:09:02 Main Document Pg 12 of 80

- 23. Pursuant to the terms of the Internal Controls SOW, Deloitte & Touche will bill the Debtors based on the amount of professional time required and the experience level of the professionals involved at a blended rate of \$170 per hour.
- 24. In addition, reasonable expenses, including travel, report production, document delivery services, and other expenses incurred in providing Deloitte Tax's services, will be included in the total amount billed.
- 25. Some services incidental to the tasks to be performed by Deloitte & Touche in these Chapter 11 Cases may be performed by personnel now employed by or associated with affiliates of Deloitte & Touche, such as Deloitte Tax, Deloitte FAS, DTBA, and Deloitte Consulting, or their respective subsidiaries, including subsidiaries located outside of the United States. For example, a portion of the Services will be performed, at Deloitte & Touche's direction, by its indirect subsidiary, Deloitte Assurance and Enterprise Risk Services India Private Limited ("Deloitte & Touche India"). A specifically assigned team of personnel from Deloitte & Touche India will assist in the services under the supervision, and with the input, of personnel of Deloitte & Touche. The hourly rates charged to clients by Deloitte & Touche for services performed by Deloitte & Touche India personnel are comparable to the market rates charged for similar services by Deloitte Tax, but do not directly correlate with the hourly rates attributed to such services by Deloitte & Touche India. The connections of Deloitte & Touche India (along with the connections of Deloitte Tax and its other affiliates) to the Potential Parties-in-Interest searched by Deloitte & Touche are set forth in Schedule 2 to this Declaration.
- 26. As noted above, Deloitte & Touche provided prepetition services to the Debtors. The Debtors paid Deloitte & Touche approximately \$605,000, of which approximately \$112,000 were prepayments on account of services not yet performed, in the ninety (90) days prior to the

Petition Date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte & Touche prior to such date, and approximately \$10,000 in prepaid amounts remained as of such date. Deloitte & Touche intends to apply those prepaid amounts to services performed post-petition.

- 27. Deloitte Tax provided prepetition services to the Debtors. The Debtors paid Deloitte Tax \$100,000 in the form of retainer amounts in the ninety (90) days prior to the Petition Date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte Tax prior to such date, and approximately \$35,000 in retainer amounts remained as of such date.
- 28. DTBA provided prepetition services to the Debtors. The Debtors paid DTBA no amounts in the ninety (90) days prior to the Petition Date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by DTBA prior to such date.
- 29. Deloitte & Touche has received no promises regarding compensation in these Chapter 11 Cases other than in accordance with the Bankruptcy Code and as set forth in this Declaration. Deloitte & Touche has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in these Chapter 11 Cases.

No Duplication of Services

30. To my knowledge, the services Deloitte & Touche provides to the Debtors will not duplicate the services that other professionals will be providing to the Debtors in these Chapter 11 Cases. Deloitte & Touche will use reasonable efforts to coordinate with the Debtors to avoid the unnecessary duplication of services by any of the Debtors' other retained professionals.

Case 25-40976 Doc 424 Filed 05/19/25 Entered 05/19/25 10:09:02 Main Document Pg 14 of 80

31. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
